BCNM State Missions Offering

During September and October, we focus our hearts, prayers, and resources on ministry work right here at home through the State Missions Offering. Every dollar given stays in our state, directly impacting New Mexicans with the gospel. We are incredibly humbled by how God moved last year—through your immense faithfulness, we surpassed our goal and raised **just over $505,000**! This year, as we look to the fields before us, we have set a bold new goal of **$575,000**. Thank you in advance for your continued generosity and partnership in this work.

Good News is Here—A Call to Action

Our communities hear enough **bad news.** From daily headlines to personal struggles, people across our state are searching for hope. It is time for BCNM churches to stand up and let New Mexicans know that **"Good News is Here"**—and it is found only in Jesus.

This offering is more than a fundraiser; it is a heartfelt call to action for Baptist churches to boldly proclaim the gospel so that every person in our state has the opportunity to hear. Let us encourage giving, but let us also challenge our congregations to go, share, and live out the truth: *"That All May Hear."*
