MY COOPERATIVE PROGRAM TOOLBOX

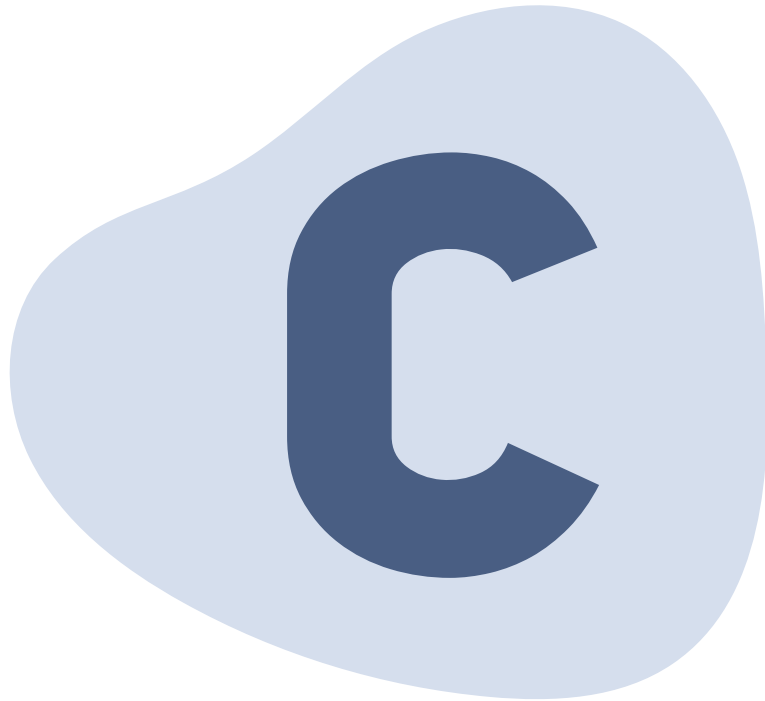

**ADMIT that
you are a sinner.**

**For all have sinned
and fall short of the
glory of God.
Romans 3:23**

BELIEVE that Jesus is God's Son.

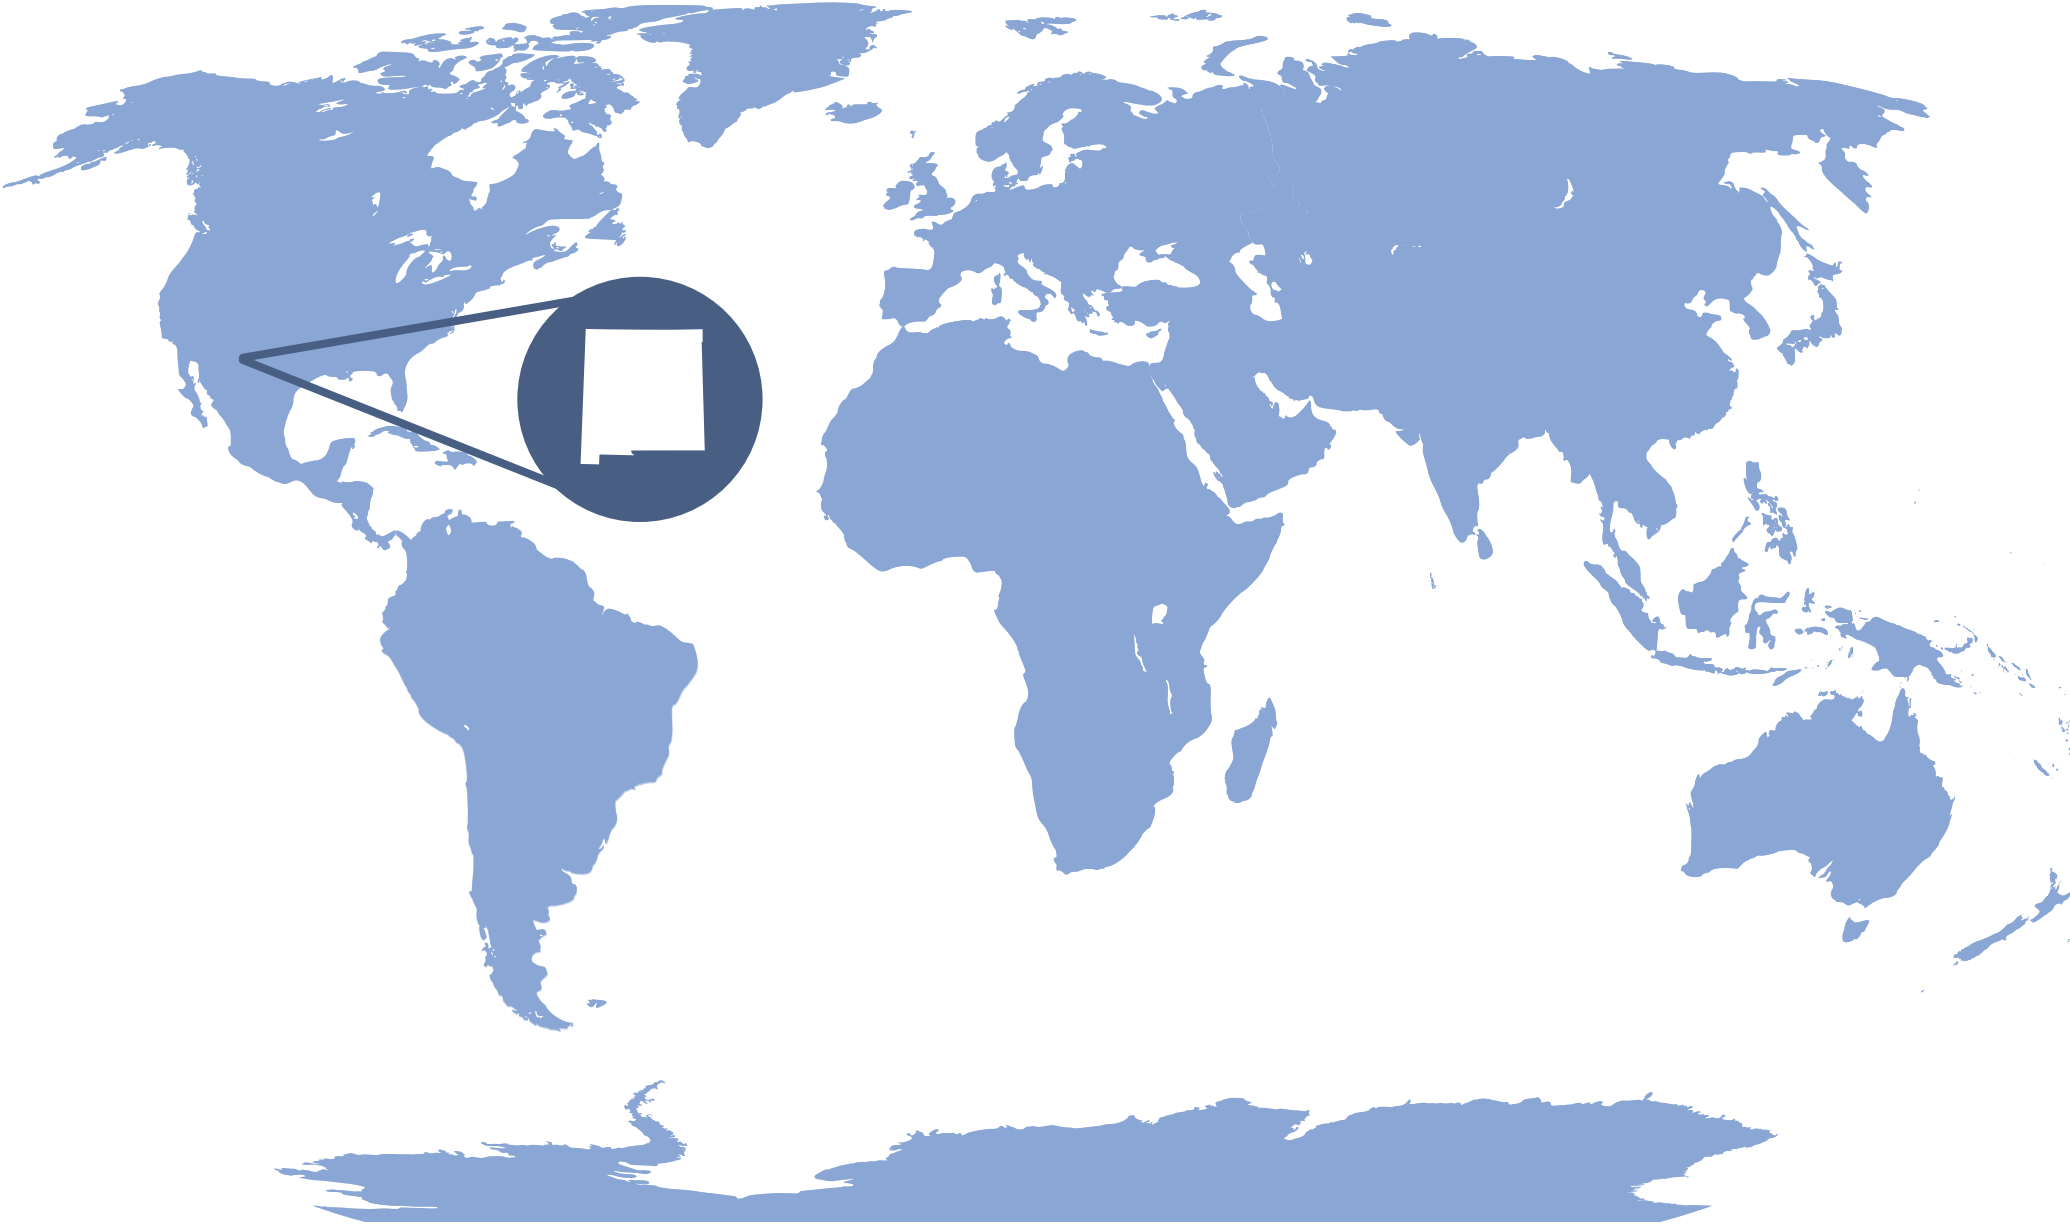

Jesus told him, "I am the way, the truth, and the life. No one comes to the Father except through me." John 14:6

CONFESS your faith in Jesus as your Lord and Savior daily.

**If you confess with your mouth,
"Jesus is Lord," and believe in your
heart that God raised him from the
dead, you will be saved. One believes
with the heart, resulting in
righteousness, and one confesses
with the mouth, resulting in
salvation. For the Scripture says,
Everyone who believes on him will
not be put to shame. Romans 10:9-11**

One Day Mission Trip is a statewide missions effort where New Mexico Baptists from churches across the state unite to serve. Volunteers use practical acts of service to create opportunities to share the Gospel with the community.

Church planters start brand-new churches for new believers in communities all across New Mexico. New Mexico Baptists partner with these new churches to tell people about Jesus and reach their communities.

The Baptist New Mexican is a weekly email newsletter that tells stories about what God is doing in NM Baptist churches and ways people are reaching their communities with the hope of the Gospel.

In 2026, Christian Challenge sent 46 summer missionaries. 8 of those students traveled around New Mexico to help local churches reach their communities. 13 students went to Denver, Colorado to work and share the Gospel. And 25 students were sent to different parts of Asia to work along IMB missionaries.

Inlow Baptist Campground and Sivells Baptist Campground are a retreat from the distractions of everyday life. In summer, these campgrounds are the perfect atmosphere for youth, kids, and family camps. Church groups also love to host retreats, meetings, and trainings in the fall, winter, and spring.

Hunger Ministries help to provide food and the Gospel to people in need around the state. Tens of thousands of people struggle with having enough food to eat every day. They turn to emergency food pantries, soup kitchens, and shelters for help. Baptist churches use these resources to meet their physical needs and to give them the hope of the Gospel.

The Baptist Convention of New Mexico helps churches tell people about Jesus by providing resources, events, and training. Their office is in Albuquerque, New Mexico. Steve Ballew is the Executive Director.

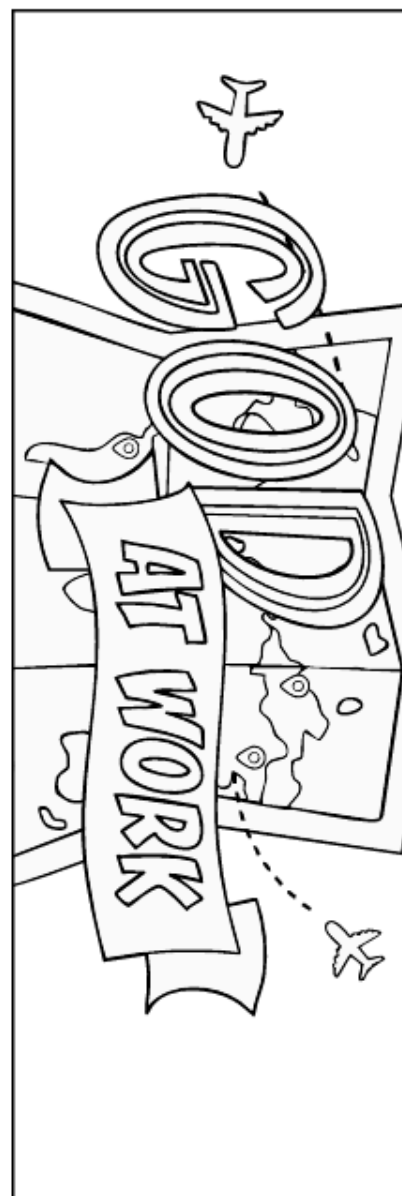

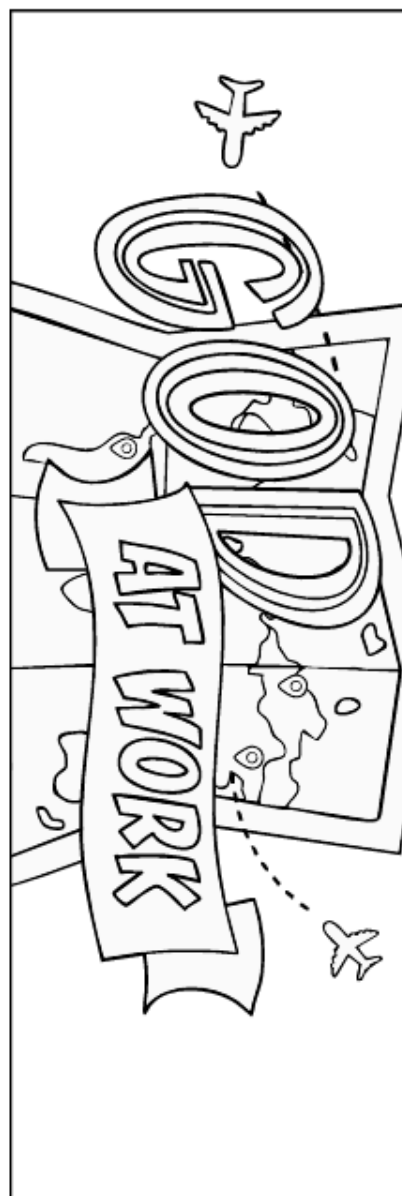

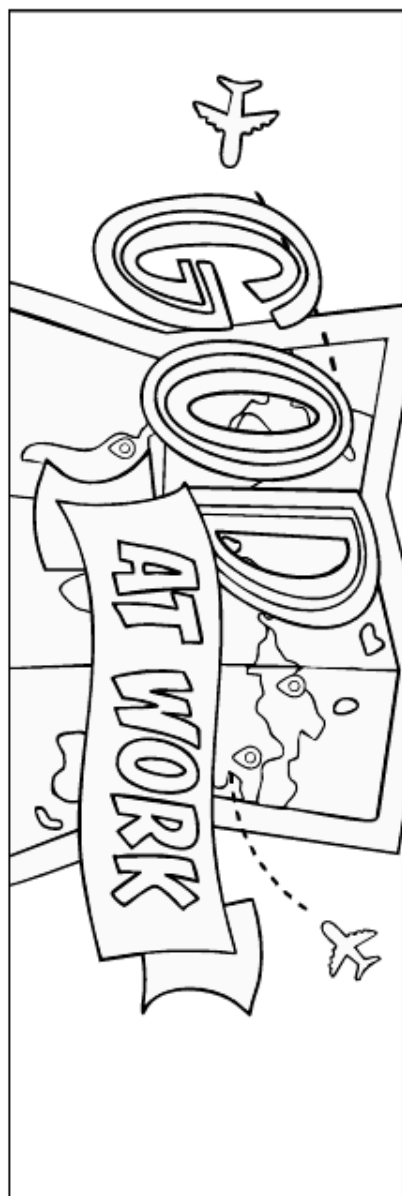

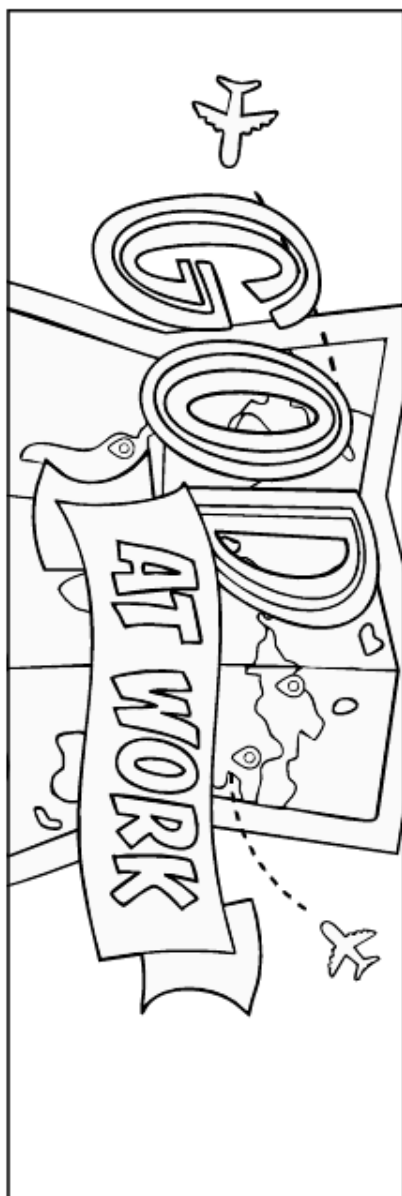

It is estimated that 95-98% of Native American peoples in New Mexico do not know Jesus. Native American ministries make up a huge part of how New Mexican Baptist churches are reaching our state with the Good News of Jesus.

Camp ministries impact people of all ages and stages of life. From children to teens to families, the BCNM offers a variety of camps. These camps offer a chance to learn more about God, worship, and remove distractions to focus on God.

Christian Challenge cares most about sharing who Jesus is with college students across New Mexico. They help students follow Jesus, teach them how to share their faith, and send them out so that people in NM and around the world can know and honor God!

Many Vacation Bible Schools are held all over New Mexico each summer. VBS leaders are equipped and trained each spring, so they are ready to reach out to children and families with the Gospel.

New Mexico Baptist Disaster Relief volunteers serve in our neighbors across the state and the nation during times of disaster. After the storms, flames, or floods, NM Disaster Relief quickly moves to affected areas to provide meals, cleanup, and victim assistance as needed.

New Mexico Baptists have worked together with other states to help tell people about Jesus.

Water Purification in Cambodia

A village of Vietnamese refugees settled in the middle of a lake during the Vietnam War. Southern Baptists bought two barges to provide space for a water purifier, a school, and a recreation area.

ESL

English as a Second Language ministries help people learn English for high school and college classes, employment, and general education.

Gospel Distribution

**Missionaries take Scriptures
into areas where people do
not have access to God's
Word.**

Theological Training

Local pastors and other church leaders need training in the Bible and other classes to help them better lead their churches.

Identifying Unreached People Groups

Some missionaries look for people groups who have never heard about Jesus. Once they find them, they can help take the Good News into their communities.

Medical Missions

Many parts of the world have limited access to medical care. Medical missionaries not only provide medical care for sick people, but they also help them learn about eating properly and getting the right nutrition.

Agriculture

Believe it or not, some parts of the world don't know how to care for cows or goats to get milk. Some missionaries have special training to teach people how to farm and care for animals that can provide food.

Dance and Gymnastics Classes

Dance and gymnastics classes are a creative way to get involved with a community, build relationships, and share the Gospel.

Soccer Teams, Athletics, and Gym

**Soccer teams, athletics,
and gym are another way to
get involved in the
community and to share
God's love.**

Children's Ministry/ Orphanages and Education

There are countries where schools do not provide education for kids with special needs. Some missionaries provide a place for these kids to have a chance to learn.
